Helping Local Kids

3 Fun and simple steps to help Children's Miracle Network Hospitals

Getting involved is as simple as 1, 2, 3

- 1. Rally the troops** – Gather a group of friends or coworkers and learn about the mission and needs of your local children's hospital.
- 2. Plan ahead** – Before an event or campaign, take inventory of your needs, set goals and contact us for help.
- 3. Be a Host** – Have fun creating your original fundraising event or campaign to help local kids. For guidelines go to: www.childrenscoloradofoundation.org/CMNHospitalsEvents

Who is Children's Miracle Network Hospitals?

Since 1983, *Children's Miracle Network Hospitals* has been saving and improving the lives of kids across the nation by raising funds and awareness for children's hospitals. Simply put, we help hospitals help kids!

We help local kids

In Colorado, Wyoming and western Nebraska, one hundred percent of the funds raised by Children's Miracle Network Hospitals stay local, benefiting Children's Hospital Colorado. This ensures your gift will help children in your own neighborhood.

Why your support matters

Funds raised by Children's Miracle Network Hospitals contribute to Children's Fund, which allows the hospital to quickly improve care for every child who walks through our doors. Purchasing essential new medical equipment, covering the cost of care for patients unable to afford treatment, and supporting new research endeavors are a few examples of how your gift can help local children.

Miracles in motion

Thanks to you, Children's Colorado was able to establish an endowment for orthopedic movement in the *Center for Gait and Movement Analysis (CGMA)*. The internationally accredited CGMA helps children with neurological and musculoskeletal disorders walk and move in new ways, improving their quality of life. This endowment provides wider access to specialized therapeutic and diagnostic care and gives kids the simple gift of movement.

Tune in to 105.9FM for *Alice's 36 Hours for Kids* radiothon, broadcasted live from the lobby of Children's Colorado for three days each February. Listen to patients and their families' powerful stories about the care and treatment they have received at Children's Colorado. Call in to pledge your support or share your own story. This is guaranteed to be the most compelling and moving radio program you will ever hear.
